B-K Lighting Acquires ABS Lighting - Expansion on the Horizon for the West Coast Manufacturer

FOR IMMEDIATE RELEASE - Madera, CA – June 15, 2015 - B-K Lighting is pleased to announce its agreement to acquire the operating assets of ABS Lighting one of the oldest most reputable outdoor control beam and roadway lighting manufactures.

B-K Lighting is a market-leading architectural outdoor landscape lighting manufacturer with operations in Madera, CA. The acquisition of ABS Lighting reinforces B-K Lighting's leading industry position of innovative architectural outdoor landscape lighting products.

Nathan Sloan, President of B-K Lighting + TEKA Illumination acquires ABS Lighting.

This strategically complementary acquisition will add a growing revenue stream and a platform for growth for B-K Lighting. The expanded portfolio of large precision controlled beam floodlights, and roadway lighting including optical versatility and superior controlled lighting distributions bolsters B-K Lighting's growth strategy to build a broader portfolio in areas of the market not represented at this time. Our Independent sales agents nationwide will gain a larger platform adding depth and capabilities to their assortment.

B-K Lighting will also use its existing manufacturing practices, industry knowledge, scientific expertise and world class development capabilities to significantly expand the reach of ABS Lighting products, which are currently distributed primarily in the United States and abroad where B-K Lighting has a growing presence.

"Lighting professionals in our industry and many other organizations will benefit greatly from the continued offering of ABS Lighting products, combined with B-K Lighting's experienced manufacturing practices and sales distribution network." said Nathan Sloan, B-K Lighting President. "We recognize the position we are in to integrate, expand and magnify the potential."

"We are extremely excited to become part of B-K Lighting, the innovation leader in our industry. Through this acquisition, a unique strategic opportunity has been created by

combining ABS Lighting's multiple years of expertise and unparalleled content with B-K Lighting's extensive manufacturing and product development capabilities." said Tony Amenta, Vice President and General Manager of ABS Lighting. "B-K Lighting is committed to the same business acumens as ABS Lighting. B-K Lighting will strengthen and build on our offerings to deliver even greater value."

The acquisition will not be completed until June 30, 2015. Until that time ABS Lighting will continue to service its customers.

ABOUT B-K LIGHTING
Since 1984, B-K Lighting has been dedicated to providing the lighting industry with the highest quality, most innovative and fairly priced outdoor lighting fixtures available. B-K Lighting manufactures standard and custom fixtures for outdoor and landscape lighting including path, sign, area, flood, recessed building mounted, and in-grade applications. B-K Lighting products are installed in high-end residential and landmark applications around the world.

ABOUT TEKA ILLUMINATION
Since 1993, TEKA Illumination has been driven to manufacture sustainable luminaires. All TEKA Illumination products are manufactured from copper, brass and bronze, three of the oldest natural and manmade materials. These materials are extremely resistant to environmental corrosion and physical abuse attributing to their sustainability. Enduring metals. Elemental designs. New technologies. These are the inspirations of TEKA Illumination.

QUALITY, SERVICE, INNOVATION, and VALUE all add up to make B-K Lighting the number one choice in outdoor lighting. B-K Lighting + TEKA Illumination have a long history of supporting 'green' manufacturing. As members of the USGBC (United States Green Building Council) and IDA (International Dark Sky Association) they have led the industry in providing earth-friendly designs and manufacturing concepts.
