For the past seventeen years, an annual September 11th Memorial Ceremony has been held in honor of the fallen heroes and survivors of the terrorist attacks on the World Trade Center, Pentagon and in the skies high above America in 2001. This year's ceremony begins at 10 A.M. on Tuesday, September 11, 2018, at B-K Lighting, located at 40429 Brickyard Drive, Madera, CA.

Our guest of honor and keynote speaker is Family Nurse Practitioner Frances Dunniway of Fresno, California. A member of the San Bernardino County Disaster Medical Assistance Team since 1998, she was deployed to Ground Zero on September 23rd 2001. The team of 42 members were assigned to assist anyone who needed medical attention, more specifically any survivors. Frances is dedicated to a lifetime of continuing education with interests in disaster preparedness and response, critical care, emergency and family practice topics along with her courageous efforts to help not only the Fresno community, but our Country as well. Frances will be reading from her personal journal that she kept with her while she was stationed at Ground Zero.

Please join us on Tuesday, September 11 to hear Frances' story and hear how she continues to selflessly volunteer her time, knowledge, and extensive education background to helping others when called to lend a hand.
