PRESS RELEASE

Nathan Sloan Promoted to CEO of B-K Lighting + TEKA Illumination

FOR IMMEDIATE RELEASE - Madera, CA – January 17, 2018 - B-K Lighting + TEKA Illumination, landscape and architectural lighting manufacturers, announced the promotion of Nathan Sloan to President and CEO. Mr. Sloan, who currently serves as B-K Lighting + TEKA Illumination President, brings nearly 25 years of experience in manufacturing and sales to the lighting industry.

"Nathan Sloan is a skilled leader who has distinguished himself since his promotion to President of B-K Lighting + TEKA Illumination. The time has come for Nathan to take the next step forward in his career, and I couldn't be more pleased and supportive. He has proven strategic thinking capabilities, strong business decisions and outstanding relationship skills that will serve him well in this role," said Douglas W. Hagen, Founder and former CEO of B-K Lighting + TEKA Illumination.

Mr. Sloan has experience in leading and maintaining B-K Lighting + TEKA Illumination as world class companies within their industries. He has a proven ability to create strategic goals, drive innovation, ensure disciplined execution and deliver on promises. His vocational passion for manufacturing and technology will ensure that B-K Lighting + TEKA Illumination continue to deliver innovations that have a positive impact on the industry.

"I am excited to bring my experience and knowledge for manufacturing and sales to this new level at B-K Lighting + TEKA Illumination. I have made it my goal to surround our company with a talented team of people that understand our technology-driven industry and together, we are dedicated to deliver results to our customers. Innovation drives our industry, we have committed to this aspect of our business from day one and it remains our most important goal. Our customers expect that from us and I will continue that legacy as we move forward," says Nathan Sloan.

PRESS RELEASE

Mr. Sloan began his career with B-K Lighting in 1995. He formerly held positions in Assembly, Machine Shop, Purchasing, General Manager of TEKA Illumination, Manufacturing Engineer and Manufacturing Manager at B-K Lighting. As President of B-K Lighting + TEKA Illumination, he has expanded product innovations, improved business operations, developed internal manufacturing processes for continual improvement to ensure sustained success.

Mr. Sloan is a graduate of California State University, Fresno with Bachelor's Degree in Business Management.

ABOUT B-K LIGHTING
Since 1984, B-K Lighting has been dedicated to providing the lighting industry with the highest quality, most innovative and fairly priced outdoor lighting fixtures available. B-K Lighting manufactures standard and custom fixtures for outdoor and landscape lighting including path, sign, area, flood, recessed building mounted, and in-grade applications. B-K Lighting products are installed in high-end residential and landmark applications around the world.

ABOUT TEKA ILLUMINATION
Since 1993, TEKA Illumination has been driven to manufacture sustainable luminaires. All TEKA Illumination products are manufactured from copper, brass and bronze, three of the oldest natural and man-made materials. These materials are extremely resistant to environmental corrosion and physical abuse attributing to their sustainability. Enduring metals. Elemental designs. New technologies. These are the inspirations of TEKA Illumination.
