B-K LIGHTING TEKA ILLUMINATION

ABOUT B-K LIGHTING

Since 1984, B-K Lighting has been dedicated to providing the lighting industry with the highest quality, most innovative and fairly priced outdoor lighting fixtures available. B-K Lighting manufactures standard and custom fixtures for outdoor and landscape lighting including path, sign, area, flood, recessed building mounted, and in-grade applications. B-K Lighting products are installed in high-end residential and landmark applications around the world.

ABOUT TEKA ILLUMINATION

Since 1993, TEKA Illumination has been driven to manufacture sustainable luminaires. All TEKA Illumination products are manufactured from copper, brass and bronze, three of the oldest natural and manmade materials. These materials are extremely resistant to environmental corrosion and physical abuse attributing to their sustainability. Enduring metals. Elemental designs. New technologies. These are the inspirations of TEKA Illumination.

QUALITY, SERVICE, INNOVATION, and VALUE all add up to make B-K Lighting the number one choice in outdoor lighting. B-K Lighting has a long history of supporting green manufacturing. As members of the USGBC (United States Green Building Council) and IDA (International Dark Sky Association) they have led their industry in providing earth-friendly designs and manufacturing concepts.
