PRESS RELEASE

Dionna Paris, New Controller for B-K Lighting and TEKA Illumination

Madera, CA - April 16, 2010 - B-K Lighting and TEKA Illumination are pleased to announce that Dionna Paris has accepted the position of Company Controller for B-K Lighting, TEKA Illumination and their affiliated companies Star Finishes, Blue Dolphin Design and Engineering and the Etendue Café.

Dionna Paris, New Controller for B-K Lighting and TEKA Illumination

In her new role, Paris will manage the overall financial operations including budget maintenance, business office operations, payroll, human resources and accounts receivables.

"On behalf of the management team, I would like to welcome Dionna Paris to our 'family' as Company Controller," said Doug Hagen President and CEO of B-K Lighting and TEKA Illumination. "With experience ranging from financial management to the development of corporate operations, we foresee her bringing a lot to the table."

Before joining B-K Lighting and TEKA Illumination, Paris worked in Finance for Guardian Industries Corporation, manufacturers of float and fabricated glass; and Crown Jewels Marketing and Agribusiness, producers and distributors of fresh fruits and produce.

ABOUT B-K LIGHTING

Since 1984, B-K Lighting has been dedicated to providing the lighting industry with the highest quality, most innovative and fairly priced outdoor lighting fixtures available. B-K Lighting manufactures standard and custom fixtures for outdoor and landscape lighting including path, sign, area, flood, recessed building mounted, and in-grade applications. B-K Lighting products are installed in high-end residential and landmark applications around the world.

ABOUT TEKA ILLUMINATION

Since 1993, TEKA Illumination has been driven to manufacture sustainable luminaires. All TEKA Illumination products are manufactured from copper, brass and bronze, three of the oldest natural and manmade materials. These materials are extremely resistant to environmental corrosion and physical abuse attributing to their sustainability. Enduring metals. Elemental designs. New technologies. These are the inspirations of TEKA Illumination.

QUALITY, SERVICE, INNOVATION, and VALUE all add up to make B-K Lighting and TEKA Illumination the number one choice in outdoor lighting. B-K Lighting has a long history of supporting green manufacturing. As members of the USGBC (United States Green Building Council) and IDA (International Dark Sky Association) they have led their industry in providing earth-friendly designs and manufacturing concepts.
