B-K Lighting + TEKA Illumination Support ‘Ladies in Lighting - Day at the Races’

For Immediate Release - Madera, CA - August 3, 2010 - B-K Lighting + TEKA Illumination are proud to, once again, help sponsor the lighting industry's 'social event' of the year.

The Ladies in Lighting - Day at the Races is scheduled for August 5, 2010 at the world famous Del Mar Racetrack outside of San Diego, California.

Hundreds of women working in the lighting industry are expected to attend this 'one of a kind' event to network, socialize and enjoy the horse races.

Now in its seventeenth year, Ladies in Lighting - Day at the Races is hosted by San Diego-based OCS Lighting & Control.

For more than seven years, B-K Lighting + TEKA Illumination, along with several other companies, have supported the event as secondary sponsors.

ABOUT OCS LIGHTING & CONTROL

OCS is a full service manufacturer's representation firm specializing in specification sales of lighting equipment for the commercial, industrial and construction markets of San Diego and Imperial Counties and is San Diego's longest established, full-line rep agency representing many of the world's premier lighting, dimming and lighting/daylighting control manufacturers.

ABOUT TEKA ILLUMINATION

Since 1993, TEKA Illumination has manufactured sustainable indoor and outdoor luminaires. All TEKA Illumination lighting products are manufactured from copper, brass and bronze - three of the oldest natural and man made materials. These materials are extremely resistant to environmental corrosion and physical abuse attributing to their sustainability. Enduring metals. Elemental designs. New technologies. These are the inspirations for TEKA Illumination landscape lighting and indoor lighting products.

QUALITY, SERVICE, INNOVATION, and VALUE all add up to make B-K Lighting and TEKA Illumination the number one choices in outdoor architectural lighting. B-K Lighting has a long history of supporting 'green' manufacturing. As members of the USGBC (United States Green Building Council) and IDA (International Dark Sky Association) they have led their industry in providing earth-friendly designs and manufacturing concepts.
