

Large Beacon Pole Mount (LBP)  
shown in Copper with Natural (NAT) Finish.\*  
\*Specify Pole(s) separately.

## AREA LIGHTING WITH PANACHE.

While keeping its stunning copper options, TEKA Illumination now offers our Post and Pole Mounts in copper-free **Aluminum** with **BKSSL®** technology. Incorporating our exclusive Batwing Optic is the key to achieving higher lumen levels at greater distances with fewer luminaires, therefore delivering the nighttime ambiance outdoor patrons adore.
