SAFETY & BEAUTY

While keeping its stunning copper options, TEKA Illumination now offers Low-Level Path and Area Pillar Mounts and Bollards in copper-free **Aluminum** with **BKSSL®** technology. With small, large and various aesthetic options, we've got a size and style for every function. Plus: configure many with hi/low switching, battery backup and/or surge protection.

TEKA ILLUMINATION LOW LEVEL & BOLLARDS

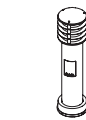

in **copper** or **aluminum** with **BKSSL** technology.
